

# SATURDAY SURGERY

8.15 AM TO 11.30 AM

We are open on a Saturday for Pre-booked appointments only.

Patients will be seen by appointment only which can be booked by telephoning reception on 01277 658071, Monday to Friday or via our on-line service.

On a Saturday you can contact the surgery on 07939 655619.

If this number goes onto voicemail then this means that no appointments are left for that day. If you are ringing to cancel an appointment then please leave a message which will be picked up by the receptionists.

## **Emergency Service is not available on a Saturday**

**Please note that our contract with NHS England does not include the practice providing an emergency service on a Saturday as the practice will not be adequately resourced to provide an emergency service.**

**Therefore to save your time please do not present yourselves at the surgery asking to be seen urgently as you will be redirected to the Out of Hours Service.**

**If you require urgent medical attention then please ring 01277 658071 or NHS 1.1.1 for the Out of Hours Service**
